MANY TRAVELERS PRESENT

National Convention of T. P. A. Begins Session at Armory in Norfolk—Brilliant Scene.

[Special to The Times-Dispatch.]
NORFOLK, VA., June 27.—The great convention of the Travelers' Protective Association of America was opened in Armory Hall here this morning under most favorable circumstances. There were perhaps three thousand delegates, alternates and others in the city when the convention was called to order by the falling of the gavel by the State President Thad H. Howe of Chicago. Armory Hall presented a lively scene at the time. It was gallantly decorated and there was a goodly sprinkling of ladies present. The first meeting was devoted almost exclusively to speech-making.

National Chaplain Homer T. Wilson, of San Antonio, Texas, being absent, the invocation was pronounced by Rev. W. M. Vines.

E. B. Harkdale, president of Post B. T. P. A., of Norfolk, Va., introduced the speakers. Governor Claude A. Swanson, of Virginia, in a welcoming address to the travelers to the State was the first speaker. If there is one thing that the Jamestown Exposition has done it is to bring the Governor more prominently in the public eye as a brilliant speaker.

He was justly cheered to-day, so well, indeed, did he please the travelers that he was literally covered with badges when his speech was concluded.

Favor Two-Cent Rate.

The Governor paid a tribute to the commercial men for the part they took in the organization of the United States Department of Commerce and Labor, and again put himself on record as strongly favoring the two-cent railroad rate, and in opposition to railroad rebates and everything that tended in that direction.

Mayor James R. Haddock next welcomed the visitors to the city of Norfolk, and after a selection by the band National President Howe responded to the addresses of welcome.

Colonel John S. Harwood, of Richmond, made a happy speech in welcoming the convention to Virginia on behalf of the Virginia Division of the association.

The response was by Thad H. Howe, of Chicago, the national president. Louis T. Lebaume, of St. Louis, for seventeen years secretary-treasurer, is being strongly opposed for re-election by L. Schuyler Logan, of Lafayette, Ind. Thad H. Howe, of Chicago, incumbent; Louis Ochs, of New Orleans, and Ambrose E. McKenzie, of Denver, are candidates for president.

Asheville, N. C., Milwaukee, Salt Lake, Birmingham, San Antonio, Tex., and Indianapolis, are in the field for the 1908 convention.

FLAGMAN KILLED, WOMAN INJURED

Southern Passenger Train Hit by Freight Engine Near Asheville.

ASHEVILLE, N. C., June 27.—One man killed, a woman passenger probably fatally injured and a score of passengers shaken up is the result of a collision on the Southern Railway about 6 o'clock to-night at Sylva, between two regular passenger trains, No. 19, and a freight engine. No. 19 was standing at Sylva station when the engine crashed into the rear end. The flagman on the engine jumped and was fatally injured, dying a few hours later. Mrs. Grinstaff, the only passenger injured, was in the club and seeing the engine bearing down upon the train, jumped off the rear platform, almost directly under the wheels of the approaching engine, which struck her, cutting off one leg and otherwise injuring her.

[Special to The Times-Dispatch.]
LOUISA, VA., June 27.—Several prominent politicians of the county were interviewed to-day as to the outlook of the primary Wednesday. They were unanimously of the opinion that a large vote would be polled, as great interest has been taken all through the canvass by the people of Louisa, in their home candidate. Louisa has some 1,200 to 1,400 Democratic voters, and they are, with a few exceptions, solid for Gordon. Of course, the fact that the farmers can cultivate their land now for the first time for two weeks

Fine Program Rendered at Railway Y. M. C. A. Last Night.

In the hall of the Railway Y. M. C. A. in Main Street Station last night an entertainment was given by the ladies' auxiliary to the Order of Railway Trainmen. The evening was a complimentary benefit to Dispatcher W. A. Bailor and Conductor John Davis, both of whom have been on the sick list. The popularity of Mr. Bailor, especially among the church and Y. M. C. A. workers on account of his active work in both of those organizations, drew together a large company, who enjoyed the excellent program provided.

MAYOR SCHMITZ FINALLY RELIEVED

Dismissed from Office, Following Conviction by Jury.

SAN FRANCISCO, June 27.—Mayor Schmitz was formally relieved from office by the supervisors at their meeting this evening. Supervisor James Gallagher was named as acting Mayor in his place.

This is the first step taken by the graft prosecution in the execution of the plan to restore good government in San Francisco. The ground on which Mayor Schmitz was removed is that, owing to his incarceration in the county jail, following his conviction on a felony charge, he is no longer able to perform his official duties.

Gallagher will not hold the position of acting Mayor for more than a few days. The resignation of a certain member of the Board of Supervisors will make room for the appointment of a respondent who will take Gallagher's place as acting Mayor.

The cases against President Calhoun, General Manager Mullaly, Chief Counsel Ford, and Assistant Counsel Abbott, of the United Railroads, for bribery of supervisors, were called before Judge Lawler for hearing of motion to set aside the indictments.
